

New Simplified Warranty Registration!

Registering for Silfab Solar's
industry leading
25-Year Product and
30-Year Power Warranty
just got easier.

Register Your Company Online

As of March 17, 2020, if you are a Silfab solar installer, simply complete the form and register your company under the Warranty Section on Silfabsolar.com to qualify all your Silfab Solar installations with our extended warranty coverage. Once your registration has been approved, you will receive a unique code for your company and a letter confirming your Company Registration which you can provide to system owners after your Silfab Solar installation is complete.
